

Leasing of Lockers

2018/2019 Academic Year

The school is conscious that the younger students have heavy bags of books and equipment that are needed daily. For this reason, lockers have been made available that can be leased during your son/daughter's first three years at Oakwood.

The leasing cost for 3 years is £25.00 and includes a £10 deposit for a key, which is refunded when the locker key is returned.

Students are provided with their own key. Replacement of lost keys will be charged at £5.00.

Year 7	Leasing for 3 years	£25 (including deposit for key)
Year 8	Leasing for 2 years	£20 (including deposit for key)
Year 9	Leasing for 1 year	£15 (including deposit for key)

Year 10 and 11 – Lockers are be available on request but do depend on availability at that time.
